• Overloading (regulation 233 of NRTR);
• Speeding (section 59 of NRTA / regulation 293 of NRTR);
• Hindering or obstructing traffic on a public road (regulation 319 of NRTR);
• Parking or stopping vehicles illegally on a public road (regulations 304 and 305 of NRTR);
• Leaving vehicle abandoned on a public road (regulation 320 of NRTR);
• Use of a communications device while driving (regulation 308 of NRTR)

5. As per the definition contained in the National Road Traffic Act (Act no.93 of 1996), a "motor vehicle" means any self-propelled vehicle and includes a trailer. A trailer is defined in the NRTA as a vehicle which is not self-propelled and which is designed or adapted to be drawn by a motor vehicle. The motor vehicle specified in this operating licence therefore includes any trailer attached thereto, whether such a trailer is registered in the name of the holder or not. All operating licence conditions specified herein applies to both the specified vehicle and the trailer;

6. The transportation of any contraband, illegal substances or illegal goods (as defined in any legislation / regulation / prescript applicable to South Africa) are strictly prohibited under the authority of this operating licence. This includes the
transportation of contraband, illegal substances or illegal goods in a trailer attached to the vehicle specified in the operating licence;

7. The holder of this operating licence or the agent or employee of such a holder may not transport a victim of human trafficking within or across the borders of South Africa and must comply with the provisions of the Prevention and Combatting of Trafficking in Persons Act (Act no. 7 of 2013). Any violation of the aforementioned legislation may result in the withdrawal of the operating licence using the provisions of section 79 of the NLTA;

8. The holder of this operating licence must ensure that the specified vehicle is properly marked for the validity period of this operating licence in accordance with regulations 23(e) and (f), 24 and / or 42(4)(a) of the National Land Transport Regulations (2009) and /or the Regulations on Colour Coding and Branding for Minibus and Midi-buses used for Minibus taxi-type Services published in the Government Gazette (notice 10749 of 18 August 2017). - In the case of a minibus-taxi type service, the logo of the resident association providing the service on the route(s) (to which the holder is registered) must be displayed at the back of the vehicle below windscreen level;
- In the case of a minibus-taxi type service, a sticker / decal showing the route number(s) must be affixed to the right front of the vehicle below windscreen level;
- In the case of a scholar service, the name of the school(s) specified in the operating licence must be displayed on the side of the vehicle;
- In the case of a staff service, the name of the company / companies specified in the operating licence must be displayed on the side of the vehicle;
vehicle,

- In the case of a courtesy service, the name of the hotel / organisation specified in the operating licence must be displayed on the side of the vehicle.

9. The driver of the vehicle specified in this operating licence must obey all laws and rules enshrined in the NLTA and the NRTA or any other legislation / ordinance relating to the driving and maintenance of vehicles on public roads;

10. Any misconduct relating to a service provided in terms of a temporary operating licence that was applied for on the basis of this operating licence, may result in the withdrawal or suspension of this permanent operating licence;

11. The holder of this operating licence or the agent or employee of such a holder, may not allow someone else to use this operating licence for a vehicle other than the vehicle specified herein;

12. The holder of this operating licence may not use the specified vehicle herein to apply for or uplift another operating licence knowing that this operating licence is still active;

13. The holder of this operating licence or the agent or employee of such a holder may not deceive, forge, alter, deface, damage or add to this operating licence or any other official document issued in connection therewith;

14. The holder of this operating licence or the agent or employee of the holder may not furnish the PRE or any municipality with false or misleading information as part of the statutory application and adjudication process in respect of this operating licence;

15. The holder of this operating licence or the agent or employee of the holder may not impersonate an authorised officer or wilfully obstruct or hinder an authorised officer who is discharging his or her duties;

16. The holder of this operating licence or the agent or employee of the holder may not...
refuse or fail to comply with the lawful order, direction or demand made by an
authorised officer in the discharge or performance of any function or duty entrusted
to the officer by or in terms of any legislation;

17. The holder of this operating licence may not wilfully perform any act in or on the
vehicle that could cause injury to or endanger the life of any person or cause
damage to any property;

18. The holder of this operating licence must conduct his or her business with due
regard to the safety of the public and passengers. This means that operators must
do everything in their power to ensure that no violent incidents occur;

19. The holder of this operating licence must exercise control over their drivers;

20. The driver of the specified vehicle and any other employee forming part of the
service may not use foul language or conduct themselves in a disorderly manner in
public as part of the provision of the public transport service;

21. The driver of the specified vehicle must at all times treat passengers with respect
and courtesy and take great care to ensure the comfort and safety of passengers,
members of the public and other road users and must offer any assistance that is
necessary for the efficient operation of the service;

22. The holder of this operating licence or the agent or employee of the holder must at
all times strive to maintain a good relationship with government officials /
departments and law enforcement officers and may not disrupt government
meetings or act in a violent manner or in a manner that may induce violence;

23. The holder of this operating licence or his or her employees may not threaten,
imintimidate or assault any person and may not wilfully destroy any property as part of
the operation of the service conferred by the operating licence;

24. Where the holder of this operating licence or an employee that forms part of the
operation of that service is convicted of an offence (as listed in Schedule 1 of the
Criminal Procedures Act) relevant to the operation of this public transport service
and/or that may impede on his / her ability to provide the service in a manner
satisfactory to the public, the operating licence may be cancelled using the provisions of section 79 of the NLTA;

25. The holder of this operating licence or the agent or employee of the holder may not use the specified vehicle to participate in illegal protest action, especially if such action wilfully or unnecessarily prevent, hinder or interrupt the free and proper passage of traffic on a public road;

26. The authority conferred by this operating licence may not be ceded or otherwise alienated by the holder, except in terms of a transfer under section 58 of the NLTA, and no person may be party to such a cession or alienation. Furthermore, the authority conferred by this operating licence may not be hired out by the holder or be hired by any person. Any such transaction is invalid and has no legal force;

27. The authority conferred by this operating licence and the conditions to which it is subject are reviewable at any time;

28. The service authorized by the operating licence must be provided on a regular basis. Where the vehicle is inoperative for a period of more than a month, the onus is on the operator to inform the regulatory entity;

29. That there is at all times a fully stocked first aid kit in the vehicle as well as a fire extinguisher;

30. Passengers may not be loaded or set down at stop streets, traffic intersections, loading zones or any other area prohibited for the loading or off-loading of passengers in terms of the NRTA;

31. Whenever a manager, agent or employee of the holder of this operating licence performs or omits to perform any act which, if the holder had performed or omitted to perform that act personally, would have constituted an offence in terms of any relevant legislation or a violation of the operating licence conditions, that holder is guilty of that offence or violation if the holder:
   - connived at or knowingly permitted the act or omission concerned; or
   - did not take all reasonable measures to prevent that act or omission; and
   - an act or omission, whether legal or illegal, fell within the scope of the
authority or the course of the employment of the manager, agent or employee;

32. A duplicate original operating licence marked “For the file” has been issued for the same vehicle. The serial number of this face value document is.............. This duplicate document must be kept in a safe place by the operator (not in the vehicle) and cannot be used to provide any form of public transport service;

33. Where the original operating licence “marked for the vehicle” is lost or damaged, the holder must immediately apply for a duplicate operating licence. The duplicate original operating licence marked “for the file” may however be used by the operator during court cases to show that the vehicle is linked to a valid operating licence;

34. Where the duplicate original operating licence marked “for the file” is used to provide a public transport service with a vehicle not specified therein (different registration, chassis or engine number), the operating licence may be withdrawn using the provisions of section 79 of the NLTA. In the event of the operating licence being withdrawn by the PRE, the operator will have to surrender both original operating licences as well as distinguishing marks relating to the service;

35. Where the vehicle linked to the operating licence is registered in another province, such a vehicle must be registered in the Western Cape Province for as long as the operating licence is valid. This must be done within 3 months of the date of issue of the operating licence;

36. The holder of this operating licence must be compliant with the requirements of South African Revenue Services for the validity period of the operating licence. This effectively means that holder must have a valid tax clearance certificate for the validity period of the operating licence. Where the tax clearance certificate expires and the holder applies for the renewal/new tax clearance certificate, it must be submitted to the PRE (within 7 days of the expiry thereof). No further transactions on any operating licence will be allowed if there is no valid tax clearance certificate on file;
37. The holder of the operating licence must register the driver(s) of the vehicle specified in this operating licence with the Office of the Provincial Taxi Registrar. A copy of the driver’s Identification document, Professional Driving Permit and drivers licence must also be submitted to the Office of the Registrar together with a copy of the operating licence as part of the registration process. The driver must be registered within a period of 30 days from the issue date of the operating licence and only the registered driver(s) must be used to provide the service authorised by the operating licence.

38. The holder of this operating licence must apply for the renewal thereof at least 30 days before the expiry date;

39. Where there is a Taxi Recapitalisation (TRP) compliant vehicle linked to an operating licence, the holder will not be allowed to replace that vehicle with a vehicle that is not TRP compliant; and

40. The vehicle identified in this operating licence must be registered in the name of the operating licence holder.

**Generic conditions relating to late renewals**

This operating licence is issued in place of a lapsed operating licence (late renewal – Insert OL Number). This operating licence is a continuation of the lapsed operating licence even though different operating licence number have been assigned by the Land Transport Permit System.

**B. MINIBUS-TAXI TYPE SERVICE SPECIFIC CONDITIONS**

1. That the vehicle linked to the operating licence, whilst in a public transport facility is operated in accordance with the management practices and or regulations that the municipality has put in place at the facility;

2. That the operator at all times adheres to the Code of Conduct and Minimum Standard Constitution promulgated in terms of the Road Transportation Act (Act no.
74 of 1977) as amended by the Western Cape Road Transportation Act, Amendment Law (Act no.8 of 1996);

3. That passengers are not picked up at any other minibus-taxi facility other than those specified in the operating licence;

4. That the operator only provides minibus-taxi type services on the route(s) authorised by the operating licence;

5. That the operator only displays the logo of the association he or she is registered with and is authorised to provide services on the route or network of routes specified in this operating licence;

6. The holder of the operating licence will ensure that the uniform fare structure as determined by his or her association is adhered to at all times. No fare may be negotiated between the driver and the passenger. The fare structure must be clearly displayed inside the vehicle;

7. The operating licence may be withdrawn in the event of the operator resigning from the association who provided the support letter for the granting of the application;

8. In the event of the operator being deregistered by the Office of the Provincial Taxi Registrar, the operating licence may be withdrawn using the provisions of section 79 of the NLTA;

**Generic condition where operating licence has been used to participate in the Taxi Recapitalisation Project (scrapping) (ONLY TO BE INSERTED IF APPLICABLE):**

This operating licence has already been used for scrapping/ taxi recapitalisation and a second application for scrapping may not be made with this operating licence.

**Generic conditions in respect of a new application (late renewal) where scrapping was done on the lapsed operating licence (ONLY TO BE INSERTED IF APPLICABLE):**

This operating licence is issued in place of a lapsed operating licence (insert lapsed
OL number) and is a continuation of the lapsed operating licence. The operator has already participated in the Taxi Recapitalisation Project with the lapsed operating licence and he or she may not apply for scrapping with this replacement operating licence. Furthermore, the replacement operating licence (late renewal) must be uplifted with a TRP 5 compliant vehicle.

Conditions relating to Amaphela services (sedan taxi providing minibus-taxi type services) only:

9. The holder of this operating licence will comply with any instructions issued by the Department of Transport and Public Works or relevant municipality in respect of vehicle branding and livery;

10. The vehicle specified in this operating licence must meet the requirements of the Department of Transport and Public Works as per the Standard Operating Procedures Manual.

C. LONG DISTANCE BUS AND MINIBUS-TAXI CONDITIONS

Conditions applicable to both bus and minibus-taxi long distance services

1. A passenger list showing the name and address of all passengers as well as the name and contact details of a person that can be contacted in the unlikely event of an accident must be kept on file by the operator. A copy of this list must be kept in the vehicle;

2. All luggage must be properly labelled with the name of the passenger whether such luggage is kept in the vehicle or in a separate trailer. The driver of the vehicle will be held responsible for any luggage that is not properly labelled in the event of illegal goods/contraband being discovered in such unmarked luggage during search operations;

3. That no additional fuel tank is kept inside or affixed to the vehicle or the trailer and no additional fuel be kept in the vehicle in excess of the capacity of the normal tank;
4. That the vehicle linked to the operating licence, whilst in a public transport facility is operated in accordance with the management practices and or regulations that the municipality or Property Managers / owners has put in place at the facility;

5. That on the forward journey, no passengers are picked up after the vehicle leaves the loading point (rank at origin point of journey), bar cases where other pick-up points are specified in the operating licence;

6. That on the return journey, no passengers are loaded once the vehicle leaves the loading point specified in the operating licence (B-point), bar cases where other pick-up points are specified in the operating licence;

7. This long distance operating licence does not authorise the holder to provide commuter / public transport services within the boundaries of a particular municipality (local routes). This effectively means that a passenger may not be picked up or set down in the same municipal area under the authority of this long distance operating licence. The full route must be traversed and not only part of the route; and

8. The word “via” means that the vehicle may pass through the specified town / area and does not allow the operator to load or set down passengers in the town / area, bar cases where the operating licence explicitly stipulates that passengers may be picked up or set down at a particular rank.

Only applicable to the City of Cape Town municipal area

9. The City of Cape Town’s Integrated Transport Plan (ITP) does not provide for dedicated long distance minibus-taxi type services. Given this, the municipality in terms of its ITP has authorised the use of the same vehicle for both local and long distance services as per section 65 of the NLTA. Where all the local routes authorised by this operating licence are expropriated by the Municipality as part of the Integrated Rapid Transit/Integrated Public Transport Network Project, the entire licence will be cancelled by the Regulatory Entity without paying compensation to the holder for damages suffered as a result of such cancellation) (City of Cape Town
Conditions applicable to long distance minibus-taxi services only

10. That the operator at all times adheres to the Code of Conduct and Minimum Standard Constitution for minibus taxis as specified by the Office of the Provincial Taxi Registrar;

11. That the operator only displays the logo of the resident association he or she is registered with and is authorised to provide services on the route or network of routes specified in the operating licence;

12. The operating licence may be withdrawn in the event of the operator resigning from the association who provided the support letter for the granting of the operating licence, bar cases where the operator is currently registered as a non-member; and

13. In the event of the operator being deregistered by the Office of the Provincial Transport Registrar, the operating licence may be withdrawn using the provisions of section 79 of the NLTA.

Please don’t insert minibus-taxi-specific long distance conditions where the operating licence also authorises local minibus-taxi type services.

D. CHARTER CONDITIONS

1. A charter operating licence may not be used to provide the following types of public transport services:
   - Minibus-taxi type services
   - Staff services
   - Metered taxi services
   - Scholar services
   - Tourist services
   - Contracted services
   - Long distance services

   The only exception to this rule is where the operating licence also authorises the holder to provide other public transport services in addition to the charter authority;
2. The holder of this operating licence is authorised to transport groups of persons with a common interest or purpose to a particular destination (the same place) (previously known as the transportation of organised parties). In other words, it should be a homogeneous group, which could for example be members of a church or community organisation going to a wedding, funeral, conference, etc. The group must hire the vehicle and driver and can determine the route, date and time of departure;

3. Passengers may not be charged fares individually by either the driver or the operator and fares must be arranged beforehand;

4. The holder may not solicit passenger trips by requesting passengers to put their names and contact details on a waiting list. This does not constitute a group with a common interest or purpose and this practice is not allowed in terms of this operating licence. Law enforcement officers should prohibit the random conglomeration (grouping) of people to load a particular vehicle. This will result in a heterogeneous group (people that are randomly grouped together without a common purpose) that will more than likely disembark at different places. The NLTA explicitly stipulates that passengers must go to a common (same) destination;

5. The holder of this operating licence must keep a detailed logbook showing the names and contact details of the client, time of departure, destination, trip purpose and arrival time. This logbook must be submitted to the Provincial Regulatory Entity every six months and where the holder applies for the renewal of the operating licence. Such a logbook must also be presented to the PRE and Law Enforcement Officers on request;

6. The vehicle specified in this operating licence may not pick up passengers outside of the provincial area specified in this operating licence (This is not applicable to operating licences authorising services in the Republic of South Africa);

7. Where a charter authority is issued, the holder must ensure that the passenger list is kept in the vehicle, bar weddings, funerals and sporting trips where it is impossible to
determine who will make use of the service;

8. No municipal ranks or bus terminals to be used for the loading and off-loading of passengers;

9. Charter operating licences cannot be used to form a minibus-taxi association or to apply for membership of a minibus-taxi association. Holders of charter operating licences cannot affiliate to a minibus-taxi association unless the operator also holds a valid operating licence(s) to provide minibus-taxi type services on the route or routes served by the association;

10. All luggage must be properly labelled with the name of the passenger whether such luggage is kept in the vehicle or in a separate trailer. The driver of the vehicle will be held responsible for any luggage that is not properly labelled in the event of illegal goods/contraband being discovered in such unmarked luggage during search operations;

E. STAFF CONDITIONS

1. Where the operating licence authorises more than one type of public transport service as per section 50(2) of the NLTA i.e. minibus-taxi and staff services, the operator may not load passengers forming part of another passenger category (i.e. minibus-taxi passengers) whilst undertaking the staff service or vice versa. This effectively means that passengers of different categories (even though authorised by the operating licence) may not be mixed. Individual trips must be restricted to one of the passenger categories authorised by the operating licence;

2. The operating licence is only issued for the validity period of the staff contract and where the contract is terminated prematurely, the operating licence may be withdrawn using the provisions of section 79 of the NLTA;

3. The operating licence will only be renewed if a new contract is awarded to the operator to provide the same service. Similarly, the operating licence will not be transferred in terms of section 58 of the NLTA unless the transferee submits a staff contract between himself / herself and the specified company;
4. The service may not be provided outside of the hours (timetable) specified in the operating licence and in areas not specified in the operating licence;

5. Employees of companies other than those mentioned in the operating licence may not be transported under the authority of this operating licence; and

6. A passenger list printed on the company letterhead (company whose employees are being transported) must be kept in the vehicle. This passenger list must show the names, residential addresses (including street names) and contact details of each passenger as well as the contact number of the company representative.

F. GENERAL SCHOLAR TRANSPORT CONDITIONS

1. The holder of this operating licence may transport learners (and parents where allowed by the school), and teachers to destinations anywhere in the Western Cape for purposes of excursions, sporting trips, educational trips, sightseeing trips and other recreational trips arranged by the school. In such cases a letter from the school must be kept in the vehicle authorising such trips. The letter must also contain the names of all passengers and the purpose of the trip. Note that operators providing scholar services are exempted from the requirement of an operating licence for any non-daily (intermittent) trips involving scholars (see section 53 of the NLTA);

2. A passenger list printed on the school’s letterhead must be kept in the vehicle. This list must show the names, residential addresses (including street names) and contact details of all parents/guardians as well as the contact details of the school’s administrator;

3. The vehicle specified in this operating licence must be taken to a Municipal Testing Station every six months for a roadworthy test and this must be reflected on the National Traffic Information System;

4. In the case of pre-primary and primary school learners and learners with physical, mental or visual disabilities, a responsible adult (other than the driver) must be on the vehicle to manage learners; and
5. Despite contrary provisions in the NRTA, the operator may not load more than the number of passengers (learners) specified in this operating licence.

## I. WESTERN CAPE EDUCATION DEPARTMENT CONTRACT CONDITIONS

1. The holder must at all times adhere to the conditions of the contract issued by the Western Cape Education Department (herein referred to as the WCED) in respect of which the operating licence has been issued. In the case of a devolved contract, the holder must adhere the contract issued by the governing body or management of the school;

2. Where the contract between the WCED and the operating licence holder is not renewed, the authority to provide learner transport services will be removed from the operating licence and/or the operating licence will be cancelled. In such a case, the holder may only apply for the renewal of the operating licence where the operating licence authorises other public transport services;

3. Where the contract between the WCED and the operating licence holder is terminated prematurely, the routes mentioned in the contract will be removed from the operating licence. In such cases, the operating licence must be handed in to the Provincial Regulatory Entity within 7 days of the contract being cancelled by the WCED;

4. Where the contract with the WCED is amended so as to change the authority conveyed by the operating licence, or to extend the duration of the contract, the amended contract and operating licence must be submitted to the Provincial Regulatory Entity within 7 days for the amendment of the operating licence; and

5. That a debriefing session is held every six months with the school, affected learners and parents to discuss issues relating to the quality/safety of the service provided in terms of this operating licence and that corrective action is taken by the holder of the operating licence where requested by the school or WCED. Minutes of such meetings must be kept by the Principal of the school and critical issues relating to the service as we as cases where corrective action has not been taken by the operator must be brought to the attention of the Provincial Regulatory Entity.
### J. CONDITIONS RELATING TO INTEGRATED RAPID TRANSIT SERVICES

1. The operating licence is issued for the validity period of the contract issued by the contracting authority;

2. Where the contract between the contracting authority and the vehicle operating company is terminated prematurely for whatever reason, (either by the vehicle operating company or the contracting authority) the operating licence will also be cancelled;

3. The holder of this operating licence must provide the service strictly in accordance with the contract entered into between the vehicle operating company and the contracting authority or any other instruction issued by the contracting authority in relation to the service; and

4. The vehicle linked to the operating licence, whilst in a public transport facility / IRT Station must be operated in accordance with the management practices and or regulations that the municipality has put in place at the facility.

### K.1 METERED TAXI RANK CONDITIONS

1. The operating licence holder must paint or display on the vehicle the operating licence number and the type of service provided (in a manner prescribed by Regulation 24 of the NLTR, 2009). In addition, the letter "r" must be painted or displayed on the vehicle to indicate that the holder is providing a rank-based metered taxi service;

2. That no passengers are picked up at any municipal rank except for the rank(s) specified in the operating license;

3. The fare shall be calculated from the time the passengers enters the taxi. No charge shall be made from the passenger’s destination back to the rank or depot;

4. The scale of charges shall be displayed on both back doors of the vehicle;
