## NON-GOVERNMENTAL ORGANIZATION

NO. 31

**UNCLAIMED FUNDS – MARAVEDI CREDIT SOLUTIONS**

The business of Maravedi Credit Solutions is such that it is a registered credit provider in terms of the National Credit Act, 34 of 2005 (the "NCA"). The definition of "credit provider" in the NCA includes "...any other person who acquires the rights of a credit provider under a credit agreement after it has been entered into" and also a "debt collector" in terms of Debt Collectors Act, 114 of 1998 (the "DCA"). A "debt collector" includes both a person who recovers debt on another's behalf, and a person who collects debt for his/her own benefit.

We have incurred high volumes of credit balances which occur when the total outstanding balance on account has been paid in excess and have made numerous attempts to refund our debtors however have been unsuccessful. In terms of the Section 93 of the Administration of Estates Act 66 of 1995 which reads as follows:

# **WARNING!!!**

## **To all suppliers and potential suppliers of goods to the Government Printing Works**

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
